

The Opportunity for your Laboratory to Offer the Inman Family of Appliances, including the Revolutionary Inman Aligner, is here!

Worldwide opportunities are available to fabricate and market the most effective orthodontic appliances ever designed.

Inman Orthodontic Laboratories is now selling licenses worldwide!
(excluding North America)

The Inman family of appliances have been used in North America for over the past five years.

These patented appliances have been proven to work fast, are comfortable to wear, and achieve great results.

As a licensee you will receive:

Unlimited hands-on training at our beautiful South Florida laboratory.

Use of the Inman Aligner name and trademarks.

Unlimited support.

Manufacturing instructions and standards manuals.

Marketing materials (including artwork, photographs, animation and a pre-designed website).
